DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The communication, filed on 10/12/10, is non-responsive to the prior office action, mailed 4/12/10, because some of the amended hyperlinks (nature.com/reviews/drugdisc; snp.cshl.org/; ncbi.nlm.nih.gov/SNP/; informatics.jax.org/searches/polymorphism_form.shtml (twice in paragraph starting on page 97); ncbi.nlm.nih.gov/geo/; statgen.ncsu.edu/qtcart/cartographer.html; qgene.org/; and bimas.dcert.nih.gov/linkage/ltools.html) of the specification are still active. Amending the hyperlinks to an inactive format that recites, for example, "the "nature" website with the extension ".com/reviews/drugdisc", is requested so that they are inactive and prosecution of this application may proceed.

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a) OR (b) UP TO A MAXIMUM OF SIX MONTHS.

Papers related to this application may be submitted to Technical Center 1600 by facsimile transmission. Papers should be faxed to Technical Center 1600 via the PTO Fax Center. The faxing of such papers must conform with the notices published in the Official Gazette, 1096 OG 30 (November 15, 1989). The Fax Center number is (571) 273-8300.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carolyn Smith, whose telephone number is (571) 272-0721. The examiner can normally be reached Monday through Thursday from 8 A.M. to 6:30 P.M. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Marjorie Moran, can be reached on (571) 272-0720.
